

I

Guidance on Regulation Charges With effect from 1st April 2015

All Other Work

(Excluding domestic alterations and extensions and the creation of new dwellings)

The charges have also been set on the basis that the design and building work is undertaken by a person or company that is competent to carry out the relevant design and building work. If they are not, the work may incur supplementary charges.

If you are carrying out multiple extensions and/or multiple types of alterations the authority may be able to reduce the standard charge and you should enquire if an individual assessment of the charge would result in a lower charge.
